Sota Watanabe of Astar Network, Ryo Matsubara of Oasys, and Kazutaka Mori, attorney at law, to speak on Thursday, August 10, at 7:00 p.m.

NTT DOCOMO ASIA Pte. Ltd. ("DOCOMO ASIA"), a Singapore subsidiary of NTT DOCOMO, Arriba Studio Pte Ltd.("Arriba"). One&Co Singapore ("One&Co"), a business platform connecting Japan and Singapore, and JETRO Singapore, a Japanese government agency, will hold the second "Web3 meetup in Singapore" on August 10 (Thu.), Evidently based on the success of the event held in May this year and attracted more than 70 participants exceeding the initial number expected, The second "Web3 meetup in Singapore" will be jointly held on August 10 (Thursday).

This event was held to provide an opportunity to enhance current exchanges not only with startups, investors, and professionals in the Web3 industry who gather in Singapore but also with general business companies who are trying to utilize Web3 in their operations or create new businesses, For this second event, we invited key persons from Japanese Web3 startups, which are both based in Singapore and active on a global scale in the Web3 field, to talk about their front-line activities and

providing insights about collaborations between startups and established businesses to create new opportunities. We also plan to hold the side event meetup in SingaporeToken2049, one of the largest Web3 conferences in Asia.

We will continue to support startups and other Web3-related companies, aiming to realize a world where everyone can enjoy the benefits and advantages of Web3.
