Web3 Meetup -TOKEN2049 Japan Connect-

- Projects Targeting the Japanese Market and Global Expansion From Japan to Pitch -

NTT DOCOMO ASIA Pte. Ltd. ("DOCOMO ASIA"), a Singapore subsidiary of NTT DOCOMO, Arriba Studio Pte Ltd. ("Arriba"), One&Co Singapore ("One&Co"), a business platform connecting Japan and Singapore, and JETRO Singapore, a Japanese government agency, will co-host a Web3 Meetup aligned with TOKEN2049 Singapore.

This event will feature pitches from Web3 projects aiming to enter the Japanese market as well as Japanese startups seeking to expand their businesses globally. The event is designed to foster collaboration and provide valuable insights into the Japanese and global markets.

Judges from Cryptotimes, Neo Classic, DOCOMO ASIA , double jump.Tokyo and Arriba, will participate, offering feedback and guidance to the presenting projects. This is an excellent opportunity for innovators to connect with key players in the Web3 ecosystem.
